Can't adopt but want to help?

SPONSOR A PIG IN NEED

Sponsor a pet pig in foster care at Ross Mill Farm for yourself or as a gift for a friend.

For a one time or ongoing tax deductible donation you can give one of Ross Mill Farm's foster pigs a second chance to find a new forever home.

Sponsorship helps defray the costs of feeding, housing, and providing proper medical care for a pet pig while they wait for a new forever home.

By sponsoring a particular pig you can make sure your donation goes directly to that pig, or if you wish PPN will choose a pig in the most need for you.

For your donation you will receive a photograph of the pig you sponsored, a letter of thank you detailing the pigs life before and at the farm, and your name displayed on the PPN Facebook page in acknowledgement.

You can also help by providing blankets, bath towels, throw rugs and other items by visiting our Amazon Wish List.

PPN is a tax-exempt organization, designated by the IRS as a 501(c)3 publicly supported charity. All donations are tax deductible as allowed by law. PPN is also registered in New Jersey, Pennsylvania, and New York. The state Attorney General’s office in any of those states can be contacted for registration information.
Sponsorship Form

YES, I would like to help a pet pig while they wait for a new ‘forever home’ at Ross Mill Farm in the PPN Foster Care

The pet pig I would like to sponsor is: ____________________________________________
If you leave this blank PPN will choose a pig in need for you.
