## SPONSOR A PIG IN NEED

Sponsor a pet pig in foster care at Ross Mill Farm for yourself or as a gift for a friend.

For a one time or ongoing tax deductible donation you can give one of Ross Mill Farm's foster pigs a second chance to find a new forever home.

Sponsorship helps defray the costs of feeding, housing, and providing proper medical care for a pet pig while they wait for a new forever home.

By sponsoring a particular pig you can make sure your donation goes directly to that pig, or if you wish PPN will choose a pig in the most need for you.

For your donation you will receive a photograph of the pig you sponsored, a letter of thank you detailing the pigs life before and at the farm, and your name displayed on the PPN Facebook page in acknowledgement.

You can also help by providing blankets, bath towels, throw rugs and other items

by visiting our Amazon Wish List.
